¹ These are the prices for virtual delivery and represent the actual price of at least 80% of our contracts. However, in-person engagements will include additional fees to cover travel, printed materials, and supplies. In addition, major customizations or changes to the offering's curriculum may also result in a higher fee depending on the complexity of the request.

² These prices represent the number of sessions listed in each item. However, prices can be adjusted to accommodate a different number of sessions than what is stated.
